

## Facebook Code:

To add the Facebook 'Like Button' use the code below.

Appearance > Editor > Single Post (single.php)

```
<?php echo '<iframe src="http://www.facebook.com/plugins/like.php?href=',  
urlencode(get_permalink()),  
'&layout=standard&show_faces=true&width=450&action=like&a  
mp;colorscheme=light scrolling="no" frameborder="0" allowTransparency="true"  
style="border:none;  
overflow:hidden; width:300px; height:25px"></iframe>'; ?>
```

To add the Facebook 'Fan Page Like' code use the code below.

Appearance > Widgets > Text

```
<script type="text/javascript" src="http://static.ak.connect.facebook.com/js/api_lib/v0.4/  
FeatureLoader.js.php/en_US"></script><script type="text/javascript">FB.init  
("554c111c8fb8072f8092faac21d7e5f5");</script><fb:fan  
profile_id="118027934876261" stream="" connections="8" width="250"  
height="170"></fb:fan>
```

240px width min

change stream="" to true
